CHURCHYARD NEWS:

Now that the weather is improving we're continuing our plans to improve and maintain the churchyard as somewhere worthy of those laid to rest there. If you are able to help with tidying the Churchyard on Saturday afternoons 2pm to 4pm please email Lynne Watson at safeguarding@stpetershersham.com We have a friendly, dedicated but small team of helpers so there's always room for more to join in. It is also our intention to ensure graves are kept neat and tidy. Please consider signing up to Adopt a Grave: weeding a specific grave or a number of graves in a designated area. In November we planted a hedge (which has just started to produce leaves) behind Hersham surgery and our churchyard team have continued their efforts of turning this neglected area of grass into a wildflower meadow, planting it with seeds which will grow into colourful flowers attracting both insects and visitors. We also hope to put in convenient benches so passers-by can stop, rest and enjoy the space. Do come and have a look at what has been achieved so far, it looks great!

PLANNED GIVING: If you are not already in our planned giving scheme and you would like to join please scan this QR code. If each person who doesn't currently give regularly could commit to give just £20 per month (which is about the cost of a coffee a week), it would make a huge difference. Obviously the more you can give, the more difference it will make, but the most important thing is to give by standing order, or via the parish giving scheme, (details from the QR code) so we can plan for the future. If you are able to gift aid your donations, they are worth 25% more to us at no additional cost to you. Thank you.

ST. PETER'S T-SHIRTS: If you wore a St. Peter's T-shirt when we delivered the daffodils during lent please return it to the parish office. A number of them have not made it back to the box in which they live. Many thanks.
