SHARE YOUR STORY – BE A LIGHT ON ST PETER’S INSTAGRAM!

We’re excited to invite you to be part of a special project to spread the word of Jesus through the power of storytelling on Instagram! Whether you’re a parishioner, volunteer, or friend of St Peter’s, your journey of faith can inspire others and bring light to our wider community. Just 10 minutes of your time could transform lives.

What’s Involved? We’re filming short Instagram videos where you can:

Share why you come to St Peter’s

Talk about your faith journey

Reflect on what Jesus means to you

Filming Location:

St Peter’s Church. We’ll provide the camera, sound, and lighting - you just bring your story.

How to Take Part:

Sign up with Philip to book your filming slot (there’s a sheet at the back of church). Once recorded, your video will be shared on St Peter’s Instagram to reach and inspire others.

“Let your light shine before others, that they may see your good deeds and glorify your Father in heaven.” – *Matthew 5:16*

Let’s use this opportunity to shine our light and share the love of Jesus in a way that speaks to today’s world.

Rehearsals are in church 7.30pm to 9pm on July 24, August 7, 14, 21 September 5, 11. The performance is during the 10:30am service Sep 14.

ENVIRONMENT AND NET ZERO

CARBON: At the heart of Christian discipleship lies a deep theological understanding that our relationship with God, with each other, and with creation is interconnected. Caring for creation is therefore an act of honouring these relationships.

We are looking for someone to be our volunteer Eco Link contact for the Diocese. This person will help us to become more carbon neutral as a church, so if you have a passion for protecting the environment and want to know more about the diocese's net zero initiatives do let Jackie know and she will put you in touch with The Net Zero Carbon team. Thank you.

Pray with us

God of mission, fill us with your Holy Spirit to show and share our faith and love in our community, and help us to grow as a church family. Amen
